The 8th Asian Conference on Refrigeration and Air-conditioning

Organized by

Taiwan Society of Heating, Refrigerating
and Air-Conditioning Engineers [TSHRAE]

ACRA 2016

Taipei, Taiwan
May 15-17, 2016

BACKGROUND

ACRA (Asian Conference on Refrigeration and Air-conditioning) is a forum for presenting and exchanging scientific and industrial knowledge in the fields of HVAC&R. It began in 2002 in Kobe and followed by Beijing (2004), Gyongju (2006), Taipei (2009), Tokyo (2010), Xian (2012), and Jeju Island (2014). The 8th conference (ACRA 2016) will be hosted warmly by Taipei, the fabulous city of Asia.

CONFERENCE TOPICS

- Research and application of compressor technology
- Research and application of heat exchanger technology
- Research and application of new and natural refrigerants
- Related heat transfer technologies
- Innovative HVAC&R systems
- Automatic controls
- Cryogenics
- Sorption (absorption, adsorption) refrigeration
- District heating and cooling
- Energy utilization and conservation
- Renewable and new energy application
- Food technology and cold chain
